These are not your typical garages. They're stunning and stylish, with modern, clean lines and stone wall treatments.

This will attract a community of like-minded collectors and motorsports enthusiasts, who will gather to watch a big race on TV, help a buddy with a car or simply hang out. And they'll be ideal for hosting Monterey Car Week activities. That's why Gordon McCall – part of the development team behind Monterey Motorsport Park – plans to relocate his McCall Events firm here.
